RECOMMENDATION LETTER

I highly recommend MS. RESTAURO, ANGEL as a candidate for DAAD Scholarship Program. She was able to maintain her GWP while taking full load of classes. She was a dedicated and an active student.

As a student, Restauro demonstrated a love of learning and the level of commitment necessary to succeed in college and beyond. I have great respect for her and truly believe that she is a deserving candidate.

Furthermore, her file does not indicate any derogatory record or that she has violated any rule or regulation stipulated in the STI Student Handbook.
